

# PANASONIC TOUGH PAD FZ-N1

---

## Handheld tablet with phone function and barcode scanner

---

The TOUGH PAD FZ-N1 with Android™ 6.0 is one of the thinnest and lightest 4.7 "category handheld tablets.

### SPECIAL FEATURES

The barcode scanner is integrated on the back of the device to prevent strenuous postures and scanning fatigue. The handheld tablet is operable with stylus to easily capture digital signatures. With these two features, the device is particularly suitable for CEP service providers, but can also be used in many other logistics areas.
