

CAMERA POD HOUSING FOR WA PRO4

TISPLUS camera pod housing for Zebra Workabout Pro 4

ITEM NUMBER

20-WP-09-TCAM-01

only camera and housing, device and handle not included

Device not included

This housing allows to use the Workabout Pro 4 camera along with the scan handle WA6101-G1. This unique combination can be expanded, inter alia, with the Lorax long-range scanner.

AT A GLANCE

- WAP4 camera and Scan Handle WA 6101-G1 can both be used
- Does not interfere with WAP4 warranty
- A transponder for locating the device can be integrated as well
- Optional use of the UMTS module is possible
