TISPLUS SNAP-ON NFC READER

SnapOn NFC Reader for Zebra MC55/65/67

Snap-on NFC Reader from TIS for secure contactless charging of small amounts, control of access to internal systems, time and attendance of your employees, etc.

ITEM NUMBER

23-55-09-TSO	TISPLUS Snap-on NFC Reader for Zebra MC55/65/67 (Reader only)

Mobile device not included in delivery.

TIS incorporated the NFC reader in a snap-on housing that connects the reader to the interface of the mobile data terminal. Integrate the reader either in your Zebra MC55, MC65 or MC67. The use of the Snap-on Adapter does not affect the warranty for the mobile devices.

CHARACTERISTICS

- Mifare® NFC Reader/Writer in snap-on Case for Zebra MC55/65/67
- Charging of MC55/65/67 with reader in docking station, in the vehicle cradle or charging adapter
- Automatic shutdown of the reader if external USB interface is used, e.g. docking station with Active Sync
- Easy installation
